Chris Squire, With You By My Side

Chris Squire
Fish out of Water
With You By My Side
You know I love you.
I can't be without you.
When I'm alone, I still feel this way about you.
Everything's clear
Here is here
And everything is as it appears to be so

Here am I dreaming
I stand by myself
Look and it's easy to see, that,
I'm not the only one reaching for a new kind of wealth
Reaching with nothing to hide
And you by my side.

You know we love you
We can't be without you
When we're aat home, we still feel this way about you
Everything's clear
Here is here
And everything is as it appearsto be so,

Here we are dreaming
We stand by ourselves
Look and it's easy to see, that,
We're not the only ones reaching for a new kind of wealth
Reaching with nothing to hide
And you on our side.
