Alan Jackson, She Just Started Liking Cheating S

She just started liking cheatin songs
And what's bothering me
I don't know if its the cheatin' she likes
Or just the melody
I've never had any reason to doubt her
As far as I know she's been true
But lately she's had a different look in her eyes
I wonder if she's seein somebody new
You can't blame a body for lookin
When there's a world of people out there
But I hope that she's not takin any closer looks
I tell ya lately frankly I've been scared
Cause she just started liking cheatin' songs
And what's bothering me
I don't know if its the cheatin' she likes
Or just the melody
I've got to admit I do some looking too
But she's the only one I love
She still tells me she loves me
But I wonder if my love's enough
Cause she just started liking cheatin' songs
And what's bothering me
I don't know if its the cheatin' she likes
Or just the melody
Yeah she just started liking cheatin' songs
And what's bothering me
I don't know if its the cheatin' she likes
Or just the melody
Yeah I don't know if its the cheatin' she likes
Or just the melody
