All Left Out, Time

It is very revealing
When you say what you're thinking
Have I taken a step too far?
Living and learning
Was it crashing and burning?
Well it hurt but it left no scar.
Time is marching on.
Soon it won't be long
Til we find our niche
A sound that we can keep
What's in the past days
They've got no point in complaining
Or it's back to the drawing board.
We are all moving on
How come it took us this long
We had purpose but now there's more.

Time is marching on.
Soon it won't be long
Til we find our niche
A sound that we can keep
And say it is our own
Time is,
Time is,
Time is,
Time is marching on.
Soon it won't be long
Til we find our niche
A sound that we can keep
And say it is our own
