

13 Faces, Look What You Did To Me

Thank you for making me
And killing what's inside of me
Thank you for what you did
Thank you for all the shame
Thank you for all the pain
And fucking my life up
Thank you for teaching me
Thank you for showing me
Thank you for hating me
And killing what's inside of me
Look what you did to me
Thank you you made me bleed
Thank you for beating me
Thank you for hurting me
And fucking my life up
Thank you for doing it
Thank you for loving it
Thank you for blaming me
And killing what's inside of me
Look what you did to me
