Cory Lee, Lover's Holiday

haven't seen you lately
been kinda busy
working day and night no time for you
now i make the money
so we can go away
i just wanna make it up to you hey
no more 9 to 5
gonna leave it all behind
time for you and i to get away
no matter what we do
coz as long as im with you
we can spend some time and celebrate
i wanna take ya
all around the world
baby you and me (baby you and me)
theres so much to see (theres so much to see)
i wanna take ya
all around the world
lets go far away
