Counting Crows, Six Different Ways - 5/'92

(Original by The Cure)

This is stranger than I thought
Six different ways inside my heart
And every one I'll keep tonight
Six different ways go deep inside

I'll tell them anything at all
I know I'll give them more and more

I'll tell them anything at all
I know I'll give the world and more
They think I'm on my hands and head
This time they're much too slow

Six sides to every lie I say
It's that American voice again
"It was never quite like this before
Not one of you is the same... "
This is stranger than I thought
Six different ways inside my heart
And everyone I'll keep tonight
Six different ways go deep inside
