American Heartbreak, Please Kill Me

You're taking this all way too hard
Put the barrel to my head
And by Christmas I'll be dead

Take my life
I'm a hollow washed-out boy
Anyone today
I said take my life
I'm a hollow washed-out boy
Anyone

Somebody kill me
Put me out of my misery
Somebody kill me
Please kill me
(Repeat)

Set myself on fire on a rainy day
What you know is what you learn
Torch my world and watch it burn

You suck me dry
And I go limp from all your selfishness
(Repeat)

Take my life
I'm a hollow washed-out boy
Anyone today
You can take my life
I'm a hollow washed-out boy
Anyone

(Repeat Chorus)

You're taking this all way too hard
Colt 45 is in your hand
Shoot myself at your command

Take my life
I'm a hollow washed-out boy
Anyone

(Repeat Chorus)
