Dalbello, Stereo Madness

Chaos in mission control
I'm being followed wherever I go
Somebody's wearing my clothes
My mirror image is starting to show

I've been in and out
Had my turnabouts
Baiting the hook that broke on...
On neutral ground

CHORUS
I'm the leader of the two-track
I'm going through Stereo Madness
I'm not a mono-maniac
Had enough of this Stereo Madness

And someone lives on the fringe
And one who's left has come back again
Who thinks I'm taming the shrew
When I'm involved in a dual rendezvous?

I've been up and down
Had my turnarounds
Wasting advice to fuse
A few of us

CHORUS
i'm the leader of the two-track
I'm going through Stereo Madness
I'm not a mono-maniac
Had enough of this Stereo Madness
