Andrew Peterson, I Can't Believe My Eyes

A promise spoken is a promise broken
An inconsistent life is all I am, I won't deny
My secret's showing
No way to hold it
Cause everything that promises to hide
Will one day step into the light
Revealing everyone is someone else inside

I stand in fear as You're coming near
And the moment when I think the end will come
You take me in

I gaze with wonder when torn asunder
My heart begins to spread its wings and fly
And it soars into Your light
Revealing all I am is someone else inside

And when I try to lose perspective
And when I change my point of view
When I look at where I've come from
Next to where You've brought me to

Lord, I can't believe my eyes
No, I can't believe my eyes
I can't believe I'm standing here beside myself
I look, but I can't tell why
Mercy fell to cover me
I praise You Lord
I can't believe my eyes
