Esham, Hot Booty

Where ya at? What's goin' on?
Them bitches in Detroit, they got it goin' on
Freak bone, to the biggie breaka dawn
Big fat booty you gotta put me on
I'm rollin' down 7 with the monster thumps
Lookin' for a big fat butt to hump
I need me some booty on my dick every day
Squeezin' on a hooty with a trick every day
That's the life of a player and the life that I play
You can't fade a nigga 24 K
The bitches all scared of this devil dick
'Cause I'm diggin' in the pussy like a shovel bitch
Lookin' for a cutie, in the mouth there's a hooty
When I whip out my dick and do my duty
In the hot booty
(CHORUS)(4x)
Oh my booty baby
Hot booty
Hot booty bitches in them daisy dukes
I wanna roll 'em on down and go up in your doot shute
Give ya somethin' that you always been dyin' for
Lyin' for and some bitches cryin' for
A Detroit motown niggaro
Bitches on my dick like I was a dead-o
I don't give a fuck if you got a nigga ho
You got a pussy and my dick's bigger though
Don't play the role, I know you're out cold
Fuckin' anything with a big Roll-O
Lemme stop before you get offended
Face down and ass suckin' like the Ben did
These hoes don't mean nothin' to me
All they can do is do me
With the hot booty
(CHORUS)
H-O-T B-Double O-T-Y
Hot booty, and most niggaz see why
I gotta dog these hoes
Bitches ain't nothin' but hoes, bitches with pussy holes
I gotta tell that gangsta bitch
That if the pussy still smell like shit I ain't with it
Huh, it's like that y'all with my jimmy hat y'all
While I stop it like that and chase the cat y'all
These pussies got me sellin' my soul
Got a line fulla hoes, but no more big Roll
I need some pussy on me dick like a rubber
I fucked your mother, I don't love her
Freak nasty walked right past me
Lookin' like a ho and then she asked me
Would I dick her down, straight kick her down
Big big dick, huh, dumbass trick
Fuckin' in the back of my Coupe
Once again the devil's in the soup
With another cutie she got the booty
She got the big fat ass booty
She got the hot booty
(CHORUS)
Hot booty, hot booty, hot booty
