(Arabic from Morocco Region)
Dasi tila kel akdar asaadek
Dasi tila kel akdar asaadek
Kaifa navam niyalam nadip marat
Ee al'liar kai kopyado sialaf
Beluman sidali medan sialaf
(Zai... Zai... Zai... Zai)
(Repeated several times)

You say that I can help
Don't cry I can help (or the above)
How can I hide your tears
And happiness will come... that's true
You know all this... that's true
Step, step, step, step...
