Love me Forever
Verse 1:
Everytime I think of you...
You sweep me off my feat.
I'm fallin' so hard for you,
Everytime I feel my heart beat.

Chorus:
So kiss my lips,
Touch my face...
And hold me forever (forever)
Wrap me in your embrace!

Verse 2:
Make my dreams come true...
I'll fall in love with you.
Please don't say no,
I never wanna let you go.

Bridge:
Just say you'll be mine
Till the stars shine...
Baby, I need you!

Verse 3:
I'm feelin' crazy!
Crazy for you...
Just take my hand,
Let me fall in love with you!
