Eurythmics, Power To The Meek

I'm just a girl
With my head screwed on
I'm just a girl
With a smoking gun

I got my fingers stung
My fingers stung yeah
I'm just a girl
With my fingers stung

Bless these bones
Bless this skin
All of me
And the mess I'm in

Yea the mess I'm in
But I don't care
Don't know where I've been
But I'll get me there

I'm alive
Yea and it's alright
I'm alive
Yea and it's alright

Power to the meek
Power to speak
I got the power
Within me
Yea Yea

Power to the shine
In my worn out shoes
Power to me
Power to you

Bless this head
Bless this hair
Bless me to the dirt
In my fingernails yea

Bless this day
Bless this night
Give me something good
Make me feel alright

I'm alive
Yea and it's alright
I'm alive
Yea and it's alright

I'm alive
Yea and it's alright
I'm alive
Yea and it's alright
It's alright

Power to the meek
Power to speak
I got the power
Within me
Power to the shine
In my worn out shoes
Yea

Power to me
Power to you
