

# 16 Volt, And I Go

It's become apparent  
In my head the little machine  
In the light I'm quite transparent  
In the dark, I'm such a dream  
There are two sides to me  
Sometimes I set the evil one free  
Cause I'm in love with the devil  
And she's in love with me  
And I go, and I go away  
Sometimes I lose myself  
Sometimes in a bad way  
It's never ending I'm going to hell  
As long as you go with me  
When your down you'll only want it more  
Isn't it nature to break somebody's heart  
And I go, and I go away  
I wont treat you wrong  
And I wont treat you bad  
And in my eyes tonight  
And if your all alone  
I will be your only
