DI-RECT, Let Me Go

let me smoke
let me fly
let me drink
let me die in your arms
let me go
let me fall in the rain
let me feel only pain
I warned you
I need hate, hate
let me go
time me
weas me
kick me
let me my friends
time me
weas me
kick me
let me my friend
clean my enemy
let me fall in the rain
let me feel only pain
I warned you
let me smoke
let me fly
let me drink
let me die in your arms
let me go
to out there
bring me down
time me
weas me
kick me
let me my friend
time me
weas me
kick me
let me my friend
clean my enemy
in your eyes only hate
let me home to be afraid
it's no surprise you let me know
that I van fly and you let me goooooooooooooo
time me
weas me
kick me
let me my friend
time me
weas me
kick me
let me my friend
time me
weas me
kick me
let me my friend
time me
weas me
kick me
let me my friend
clean my enemy
