Dianne Reeves, Let Me Love You

Let me love you
Let me say that I do
If you lend me your ear
I'll make it clear that I do
Let me whisper it
Let me sigh it
Let me sing it my dear
Or I will cry it

Let me love you
Let me show that I do
Let me do a million impossible things
So you'll know that I do
I'll buy you the dawn
If you'll let me love you today
And tomorrow I'll send you merrily on your way

Let me love you
Let me show that I do
Let me do a million impossible things
So you'll know that I do
I'll buy you the dawn
If you'll let me love you today
And tomorrow I'll send you merrily on your way
Ooh tomorrow I'll send you happily on your way
