Dinka, Reach For Me (feat. Hadley & Danny Inzer

Why don't you reach for me?
Why don't you reach for you?
Cuz I'm loosing my cool and I'm shaking like the first time

Into my room, Inside of my head
I'm burning up like the first time
I feel you near me, Why don't you reach for me
cuz I'm gripping these sheets and I'm shaking from the inside
Wanna let you in, Wanna let you go
Feel the chills across my body, body, body
Feel your hands pulling on my skin

Why don't you reach for me?
Cuz I'm loosing my cool and I'm shaking like the first time

When your far, I will reach for you
Pull me in, Hold me down
Feel your hands across my body
Feel the love for the first time in my life
Come on and reach for me
Cuz I'm biting these sheets and I'm burning from the inside
Feel your hands pulling on my skin

Why don't you reach for me?
Cuz I'm loosing my cool and I'm shaking like the first time
When I'm far and away my love
You can reach for me
When you're far I will reach for you
