Dreamgirls, Love You I Do

"[Effie]"
Never met a man,
Quite like you,
Doin' all you can,
Making my dreams come true

You're strong and you're smart,
You've taken my heart,
And I give you the rest of me, too

You're the perfect man for me,
I love you I do

Mmm, I love ya

Never have I felt,
Quite like this,
Good about myself,
From my very first kiss

I'm here when you call,
You've got it all,
And confidence like I never knew

You're the perfect man for me,
I love you I do

You've got the charm,
You simply disarm me every time

As long as you drive,
I'm along for the ride,
Your way

I said it before,
There won't be a door,
That's closed to us

Putting all my trust in you,
Cause you, you'll always be true, Oh

I never could have known,
This would be,
Oh you and you alone, yeah
All for me

I know you're the best,
You've past every test,
It's almost too good to be true

You're the perfect man for me,
I love you I do

You're the perfect man for me,
I love you I do
