# Armoury Show, Kyrie

Judy in july - looking into the sky
Like a sail in the wind
She sails away into the boundary

Oh oh oh kyrie awake me

Judy in july - through a golden eye
Can see over the fields
The hawk weave on through the boundary

Oh oh oh kyrie awake me

See it through - judy oh judy

Curious in the vale of tears I know
I love you anyway
Memory - at the feast of fools I know
I love you anyway

Will I remember you
Will I get you back

Judy in july - in anger calm and shy
Oh how she beats the floor

Oh oh oh kyrie awake me
