George Strait, For Christ's Sake, It's Christmas

Let there be not one stranger
To away in a manger
Let ther be not one soul left untold
Let there be not one face unknown to the face of the one
Who will gather the foe

[Chorus:]
For Christ's sake, it's Christmas
So for Christ sake let everyone know
They all have the choice so lift up your voice
Make sure they know by Christmas Eve
Pray that everyone sees that we've opened the eyes
That were closed
For Christ's sake it's Christmas
And for Christ's sake let everyone know

[Chorus]
