

# 18 Over Par, Power Spikes

Her name is Becky  
And she's got spikey hair  
She locked herself out from the world  
Cause she doesn't care

Chorus....

She's got spikey Hair (4x)

She's anti-society

Anti-everything

She's so hardcore

She looks like Sting

Chorus....

She wears fishnet stockings

And big long leather boots

She worships the Sex Pistols

She thinks Sid Vicious is cute

Chorus....
