Ash, End of the World

Ash
Twilight of the Innocents
End of the World
Is this the end of the world?
Is this the end of the world?

I'm feeling low today,
Is this the latest fashion.
What do the papers say,
Well then im bored already.
I could die, would anybody really notice
I can't relate today,
I've never felt so lonely.
Is this the modern world,
I feel i'm dead already.
That's the catch, it's such a beautiful confusion

Is this the end of the world?
Is this the end of the world?
Is this the end of the world?
Aaaah Ahhhh

I breathe a motorway,
Just for the sake of breathing.
I turn the TV on,
Don't know what to beleive in.
Aaaa ahhh
Oh yeah
Aaah ahhhh

Is this the end of the world?
Is this the end of the world?
Is this the end of the world?
Aaaah Ahhhh

Is this the end of the world?
Is this the end of the world?
Is this the end of the world?
End of the World
