

18 Over Par, Three Months

Is this what they've been telling you to tell all of your friends tonight
That I'm a jerk and I only like your body not your mind.
Don't listen, They are wrong, It is not that way at all
I am going to take you out tonite at 9
And it is not going to affect anything at all
And I know you have been wondering why I haven't decided to call
You won't pick up the phone because you haven't talked to me all day
But I am sure that you will get over it.
And I know, That its time, to get ourselves back home.
And you Have been wonderin where we have been for these past three months.
And I know, that its time, to put an end to this legal crime
Call me tomorrow and I'll figure out how long it is until you start to cry
