Atomic Kitten, Right Now

Making me feel that I'm wanted
Is making me see that you know what I need
You're breaking the rules 'cos you want it
There's so much you can do that will make
me see that
Making me love and adore you (baby)
Is making the most of the way that I feel
I'm taking a chance moving for you
'Cos when you touch me i just can't believe
that it's real
So come on baby do it to me good now
Do it to me slowly (oh yeah)
Be the one and only (ah ha, yeah)
And do it to me right now
Baby, baby
Make me believe that you want it
And make me believe that you'll always be true
You better not lie or deceive me
If you do then we're through so it's up to you
To take me places I've never, ever been able to go
You're taking it higher and higher baby
You know that it's so, get on let's go
So come on baby do it to me good now
Do it to me slowly (oh yeah)
Be the one and only (ah ha, yeah)
And do it to me right now (do it oh yeah, yeah,
yeah, yeah...)
Like you said you would (ah ha, yeah..)
And do it to me right now (right now..)
There's a party in my head
But you should have been in bet with me now
(what ya say, what ya say, yeah..)
Yeah, yeah, yeah, yeah..
So come on baby do it to me good now
do it to me slowly
(come on, baby)
Be the one and only
(Ah ha, yeah)
And do it to me right now
(And be the one and only)
And come on baby do it to me good,
do it like you should
(Oh, yeah)
Like you said you would
(Ah ha, yeah)
And do it to me right now
(do it to me right now)
So come on baby do it to me good now
do it to me slowly (slowly)
Be the one and only
(Oh yeah)
And do it to me right now!
