Where I can find true love 4 life?
Is there time
Where I can find true love dat is devine?
Is there place
Where I can find true love 4 life?
Is there a place?Is there a time?
I've been looking all of my life

Ghetto youths jus live up
And don't you give up
I know we can make it in life
Jus be focused, dont be abnoxious
Dats not a righteous road of life
Ghetto youths jus live up
And don't you give up
I know we can make it in life
Jus be focused, don't be abnoxious
Dats not a righteous road of life

Where I can find true love 4 life?
Is there time
Where I can find true love dat is devine?
