

# 1997, Water's Edge

I'm at the water's edge, and I am peering closer.  
This is where I will be, where you can find me.  
My shadow's kissing secrets, your heart's in agony.  
I never meant to make you cry.  
Love, come back to me.

Troubled boy, I'll kiss you one last time  
and then say goodnight forever.  
But little girl, I'm not feeling well.  
These nights are long enough without you.

Who's sending letters through the mail? (Stop it, quit calling my name.)  
Who's empty chair is at the table? (It's mine, I've left you alone.)  
Who changed the locks?  
Who took the pictures off the wall?  
String me along like a beautiful love song.

Carolina... (4x)

Now that I have you, may I use you as a muse  
and keep you up all night in trading stories  
and whisper singing love?

Troubled boy, I'll kiss you one last time  
and then say goodnight forever.  
But little girl, I'm not feeling well.  
These nights are long enough without you.

Who's sending letters through the mail? (Stop it, quit calling my name.)  
Who's empty chair is at the table? (It's mine, I've left you alone.)  
Who changed the locks?  
Who took the pictures off the wall?  
String me along like a beautiful love song.

All I want...  
All I need...  
All I want is to be...

Who's sending letters through the mail?  
Who's empty chair is at the table?  
Who changed the locks?  
Who took the pictures off the wall?  
String me along like a beautiful love song.
