Eva Cassidy, Time Is A Healer

I found a picture of your smiling face
Bringing old memories that I had locked away
The burden of anger from a heart filled with pain
Was finally lifted and I smile at you again

Chorus:- If time is a healer
Then all hearts that break
Are put back together again
Cause love heals the wound it makes

I spoke such harsh words before goodbye
Well I wanted to hurt you for the tears you made
You made me cry
All my hopes and dreams, well they started vanishing
Those tender hurt feelings became a dangerous thing
Chorus:-

All of those years we spent together
Well theyre part of my life forever
I hold the joy with the pain
And the truth is I miss you my friend

Chorus:- Well time is a healer
