

## 2:54, Scarlet

.. Smile through the gate  
Eyes turning lips burning in flame  
?Crossing and .. in vane  
Need to .. disappear  
Can?t it be Scarlet  
She said you .. in a rose  
It?s all I hear in my head  
Will make it easy to see  
If love love love  
She said you took the ..  
It?s all I hear in my head  
Will make it easy to see  
If love love love  
Dedicate a rose take a .. sad thing to tell  
..it?s running through my face hard to ..  
Whisper and disappear can it be the start  
It?s all I hear in my head  
Will make it easy to see  
If love love love  
It?s all I hear in my head  
Will make it easy to see  
If love love love  
It?s all I hear in my head  
Will make it easy to see  
If love love love  
It?s all I hear in my head  
Will make it easy to see  
If love love love
