there is no escape.
Lookin' for the green light
I'm tryin' not to break.
Waitin' for the action
my muscles starts to shake.
Loosin' my protection
I want it now
I need it now !
Get lost tonight
we are on the fire burnin' out the light.
Get lost tonight
I'll take you higher
higher than a kite.
Get lost tonight

treat me like a slave.

keep me in your cage
