Fear, Foreign Policy (live 1986)

Elimate the incompetents!
Differences don't exist in harmony!
Survival is superiority.
We don't need no hands across the sea!

We've got...

Foreign policy [x3]

The lines are drawn!
Establish the new order!
Suspect everyone
Know your enemies! Know your enemies!

We've got...

Foreign Policy [x3]

Hatred is purity!
Weakness is disease!
Where we bury you
It's manifest destiny!

We've got...

Foreign Policy [x3]
