Jagged Edge, I Remember

I remember I remember
When it just wasn't like this
I remember when we was hungry
And we wasn't riding on 6
I remember when we didn't have chips
Still had to try to make the best of it
I remember, baby I remember

I remember
I remember

[TQ]
I was a lonely boy had
Nothing to do but hustle up on my block
I was the only boy and
Still had it in me that I was never gon stop
Be upon the bus stop, baby
Working for the new white jordans
Dog i mean I didn't have nothing
And that's the way it was, the way it was

Now a whole lot of sh!t different
All around the world I ball
Candy coated drop top lexus
Hot boy for all ya'll (all ya'll)
Dip through my neighbourhood
Still the same it's never gon change
So much love filled with pain
And I always will remember when I

I remember I remember
When it just wasn't like this (when it wasn't like this)
I remember when we was hungry
And we wasnt riding on 6

(Give it to em cos) I remember

[Jagged Edge]
See you always had somebody
My brother was my nigga
He was closest to me
I never been too lonely
I know what it's like when you don't have something to eat
Bread with no meat
Flakes with no milk
Clothes with no silk in
And I remember when this life just used to be ugly

[TQ]
Things a little different now
All around the world we ball
Candy coated drop top lexus
Hot boy for all ya'll (all ya'll)
Dip through my neighbourhood
Still the same, never gon change
So much love filled with pain
And I always will remember when I

I remember I remember

I remember

[Jagged Edge]
That's why I'm thankful for what I got
Cos Lord knows I'm never getting shot
Some times I'm wondering when I'm a pop
But if I never then I long for what I got
That's why I'm thankful for what I got (so thankful)
Cos Lord knows I'm never getting shot
And I know I could be (i know)
Cos I remember

I remember
When it wasn't like this
(When it wasn't like this)
And I remember
I remember, I remember
When it wasn't like this
And I remember
I remember

I remember I remember
When it just wasn't like this
I remember when we was hungry
And it wasn't right in those cities'
I remember when we didn't have chips
Still had to try to make the best of it
I remember, (i know) baby I remember (i know)
I remember

I remember I remember
When it just wasn't like this (wasn't like this)
I remember when we was hungry
And it wasn't right in those cities'
I remember when we didn't have chips
Still had to try to make the best of it
I remember, baby I remember
I remember
