Backstreet Boys, all in my head

Maybe it's just me,
But i don't think that it is
Possible for me
To continue like this (oh)
I feel so insecure,
Everytime you walk away
And i'm never really sure
How long you gonna stay
Baby its all in my head
feel like giving but i don't really want to
But i feel so mislead
I kiss thru the phone just want you to know
From my point of view
I gotta say
Something about you
So tell me baby
Somewhere down the road (Somewhere down the road)
I think you lost it all
Now its all in my head,
All in my head (x3)
You know its not my style
To start a fight and make a scene
But i'm different this time
I am not a drama fiend (oh)
And maybe it's just me (maybe it's just me)
But this is how a feel (this is how a feel)
And this can simply be
Another case of jeoulously
Baby its all in my head
feel like giving but i don't really want to
But i feel so mislead
I kiss thru the phone just want you to know
From my point of view
I gotta say
Something about you
So tell me baby
Somewhere down the road (Somewhere down the road)
I think you lost it all
Now its all in my head,
All in my head (x3)
I mean we can talk around
Tell that it's alright
But alright just want you more (oh)
I mean we could kiss and make up
I tell that it's a love
but i just want you to love me more
baby its all in my head
feel like leaving but i don't really want to
but i feel so mislead
i kiss thru the phone just want you to know
Baby its all in my head
feel like giving but i don't really want to
But i feel so mislead
I kiss thru the phone just want you to know
From my point of view
I gotta say
Something about you
So tell me baby
Somewhere down the road (Somewhere down the road)
I think you lost it all
Now its all in my head,
All in my head (x3)
