Jarabe De Palo, Cry (If You Don't Mind)

I wanna cry
Why? I dont know why
maybe Im sick
but I feel fine.
I wanna cry
but I dont know the reason why
I wanna cry
Why? I dont know why.

I wanna cry
Why? I dont know why
maybe its you
could I be the one.
I wanna cry
but you are not the reason why.
I wanna cry
Why? I dont know why.

Sometimes you lose
the reason to be alive
Sometimes you could
be a cloud flying in the sky
Sometimes you need
tears wetting your eyes
Sometimes you feel
that you just wanna cry.

I wanna cry
Why? I dont know why
I wanna cry
Why? I dont know why
I wanna cry
if you dont mind
I wanna cry
it doesnt matter why
I wanna cry
for you, for us
I wanna cry
because Im alive
