Bananafishbones, Stopping At The Drive-In

Just To See Her Ghost
Now That She'S Gone
Shopping At The Mall
Where I Have Seen Her First

Now That She'S Gone
I Close My Eyes It'S Time To Go
But Your Pills They'Re Making Me Slow
Hold Me Close She Said Baby

Then Let Me Go
Now She'S Away
Close Your Beautiful Eyes Baby
Then Let Me Go
Now She'S Away ,What Can I Say
I Close My Eyes It'S Time To Go

But Your Pills They'Re Making Me Slow
Turn Back Soldier Your Bullet'S Gone
And Something'S Wrong Please Help Me
Out There In The Fields I Cry For Mommies Hands

Something Went Wrong
Out There In The Fields I Lie And Understand
That Something Went Wrong

They All Have Gone
I Close My Eyes It'S Time To Go
But Your Pills They'Re Making Me Slow
Turn Back Soldier Your Bullet'S Gone

These Boys Are Strong
You Won'T Last Long
I'M Stopping At The Drive Inn
Just To See Her Ghost

I'M Stopping At The Drive Inn

Just To See Me Go
