Funeral Dress, Riot Patrol

Shoot your bullets, and catch me if you can
Hide from my fire bombs, and be a real man
We're breaking the law, we're breaking the law
You can't ignore, You can't ignore

Riot Patrol

Riot Patrol
Social Control

Bang us around with you nightstick
I'm sure it gives your leaders a kick
We're breaking the law, we're breaking the law
You can't ignore, You can't ignore

The wrong Case, the wrong war
Who the fuck pushed you this far
We're breaking the law, we're breaking the law
You can't ignore, You can't ignore
