

# 2 Brothers On The 4th Floor, Living In Cyberspace

Japan, England, Germany

U.S., France and Italy

Spain and Sweden might

Have me a cyberspace tonight

Come (Living in cyberspace)

Come (Enjoy your interface)

Come (Living in cyberspace)

Come

Ref. Here I come, I'm your girl of the cyberspace

Travel round with the smile on my interface

I'm your personal way for the internet

Push my button, watch me work on the world we met

I love you

You're ready for some action

'cause I will give you satisfaction

Come on and go with me

I'm your computer fantasy

Come (Living in cyberspace)

Come (Enjoy your interface)

Come (Living in cyberspace)

Come

I travel around the world

(Living in cyberspace)

Send love to the people love all nations

Close your eyes and come with me

(Enjoy your interface)

Your digital fantasy

Ref. Here I come, I'm your girl of the cyberspace

Travel round with the smile on my interface

I'm your personal way for the internet

Push my button, watch me work on the world we met

I love you
