

# 2 Brothers On The 4th Floor, One Day

CHORUS:

One day you'll see that you be  
Who you wanted to be  
Meet who you wanted to meet  
Just one day you'll see  
And one day you'll see that you  
Feel what you wanted to feel  
Meet who you wanted to see  
Just one day you're free  
Once again it's the R.O.C.K.  
So check what I gotta say as we go my way  
Get ready for a journey an expedition  
Just listen or you will be missin'  
A lot of times I know you feel like giving up  
But listen up everybody while you move that body  
I got a story to tell so listen well  
Only you can be you when it's time to excel  
Many might try but you don't know the reason why  
They might deny they don't want you to fly  
So you gotta move on and show 'em  
You got it goin' on and on plus your mind is strong  
Now this is how I get busy on the daily  
I kept this in mind so you suckers can't fake me  
Rise and surprise everybody like me  
Cause one day you will see you will be how you wanna be  
Repeat Chorus

I remember days when people used to say  
Stop wasting time and find another way  
They never understood no they never took time  
That the R.O.C.K. was born for the rhymes  
I kept my mind focused and I went for my direction  
Microphone checkin' was my only selection  
My eyes on the prize I was on the rise  
Everytime you see me now you wanna say hi  
You don't even know who I am  
So take all your plans and scram  
You don't understand  
2 brothers On The 4th Floor with only one sister  
Wanna make moves yo just like a twister  
So if you're with me raise your hands in the air  
And wave 'em side to side like you just don't care  
Rise and surprise everybody like me  
Cause one day you will see you will be how you wanna be  
Repeat Chorus twice
