Battle, Feel The Same

I've been lost just for waiting on your smile
I've been there saw your trees and fantasize
Like a warning, yes it's true that angels sigh
But don't you know
As blue morning passes over strangest eyes

I'm always calling out your name
You never change or feel the same
Or feel the same
Feel the same

I've been lost just for waiting on your smile (yeah)
I've been there saw your trees and fantasize
Cool, like a warning, yes it's true that angels sigh
But don't you know
As blue morning passes over strangest eyes

I'm always calling out your name
You never change or feel the
Like I missed the boat I know
Never want to push you...
To push you...
Settle down
Settle down
Settle down
Settle down
Settle down
Down
Ooooooaaaarrrrrooooohhhhh

I'm always calling out your name
You never change or feel the same
I'm always calling out your name
You never change or feel the same
I'm always calling out your name
You never change or feel the same
I'm always calling out your name
You never change or feel the
