BE.MY, Angel's Romance

I broke an angels wings,
And left her on the side of the road,
She said: "Don't leave me here on the cold floor
Where it's snow"

I don't, I don't, I don't, I don't
Help the cheaters
I won't I won't, I won't, I won't
Bring back to life
The memories of ours
Angel's romance

My angel's trumpet died,
Living me without nothing to do
We used to share a cloud
So I went there to find no one inside

I don't, I don't, I don't, I don't
Help the cheaters
I won't I won't, I won't, I won't
Bring back to life
The memories of ours
Angel's romance

I'm streched between love and hate
I should have shot my arrow straight
I don't know if I should leave or help
I don't know if that's one more mistake

I don't, I don't, I don't, I don't
Help the cheaters
I won't I won't, I won't, I won't
Bring back to life
The memories of ours
Angel's romance
