Bedouin Soundclash, Higher Ground

Yes i am pressing the upward way
New sings i see everyday
Still hailing onward bound
Father show i the way to Higher ground

Father lift i up and let I stand
Show I righteousness in Zionland
A higher sight that i have found
Father show I the way to higher ground

I got no Desire to stay behind
No thought some people they may try, to tell i so

But i won't be a fool and stay behind
And now my aim is so reach Zionland

I want to leave and show the world
that righteousness will carry you through
a clean hand and a pure heart
and you will reach zionloand

And yeah i'm pressing the upward way
New signs i see everyday
Still hailing onward bound
And you will reach Zionland...
