Greg Hartwell & Marc Lane, Be One

Duru duru duru duruuuuu
I like the way you smile
And let me watch a while
I love the way you make me feel
I'd give the world away to spend each waking day
Alone with you, my love
'Cause you make me
Duru duru dudu
Duru duru dudu
Duru duru dudu
Summer's gone
With you I will move on
Promise you, you'll never be alone
I believe what you give you will receive
That's why I'd give it all up
Do you believe in love
And all the things it does
It makes me feel like I'm alive
And when the night drives in
We let the games begin
You make me feel like I'm alive
You make me
Duru duru dudu
Duru duru dudu
Duru duru dudu
I feel like
Duru duru dudu
Duru duru dudu
Duru duru dudu
