BeFour, Red (The Colour Of Love)

RED IS THE COLOUR OF LOVE AND THE COLOUR OF SADENESS
SO PLEASE BEWARE OF, LIFE WILL TELL YOU THAT
RED IS THE COLOUR OF LOVE AND THE COLOUR OF SADENESS
ENOUGH IS ENOUGH
JUST LOOK AT ME AND READ MY LIPS
THEY TELL YOU ABOUT LOVE
I FEEL IT IN MY FINGERTIPS
YOULL NEVER GET ENOUGH
WHEREEVER YOU ARE I WILL BE BY YOU SIDE
YOURE MY LUCKY STAR AND THERES NO NEED TO HIDE
RED IS THE COLOUR OF LOVE AND THE COLOUR OF SADENESS
SO PLEASE BEWARE OF, LIFE WILL TELL YOU THAT
RED IS THE COLOUR OF LOVE AND THE COLOUR OF SADENESS
ENOUGH IS ENOUGH
HOLD ON YOUR FEELING WHEN WE KISS
AND STARS LIGHT UP YOUR HEART
CAUSE THATS THE MAGIC THAT YOULL MISS
WHEN WE ARE APART
AS BLUE AS THE SKY I FEEL WHEN YOURE NOT HERE
BUT WHEN YOU ARE MINE OUR PARADISE IS NEAR
RED IS THE COLOUR OF LOVE AND THE COLOUR OF SADENESS
SO PLEASE BEWARE OF, LIFE WILL TELL YOU THAT
RED IS THE COLOUR OF LOVE AND THE COLOUR OF SADENESS
ENOUGH IS ENOUGH
