Julie Roberts, Unlove Me

Unloose this hold you've got on me
Unlock this heart that can't get free
Unlive the night you kissed and hugged me
Undream the dreams that we both shared
Unfeel the feelin' that you cared
Before you leave me, please unlove me.

Chorus
Unlove me
Unmake all the memories I can't forget
Unlove me
Let me go back to the way I was before we met

Back to the days when I was strong
When t wasn't sad to be alone
When I was happy-go-lucky.
And I didn't know how good it felt
To hold you and feel my heart melt
Show a little mercy and unlove me

Chorus
Unlove me
Untie all the strings between your heart and mine
Unlove me
But do it real slow, so I don't have to lose you all at one time

Before you pack your bags and leave
One thing I wish you'd do for me
Take a little time to just unlove me

Chorus
Unlove me
Unmake all the memories I can't forget
Unlove me
Let me go back to the way I was before we met

Unloose this hold you've got on me
Unlock this heart that can't get free
Before you leave me, please unlove me
Show a little mercy and unlove me.
