Big Dumb Face, Rebel

You can't walk the walk,
but you spoke the speak,
you say you're a badass,
but I still think your weak,
It's been way too long since an ass whippin' went down,
you beat up my cousin,
so now we'll have to throw down,
So you say,
that your a Rebel,
you pump that bass,
turn down the treble,
if it turns ya on,
come down tonight,
I guarantee,
we'll have a fight.
My buddy Buck has brought our boys,
just in case we'ze needs our boys,
you better show,
or buck,
will spit,
and cuss,
and yell,
and throw a fit...
