Recorded by: Hank Williams, Sr.

CAPO: 4th FRET/KEY: B/PLAY: G
[G] For years we both have lived on pride, [D7] dear
And we agree that love is [G] gone
Why, oh why do we keep [D7] tryin'
A House Without Love is not a [G] home. [G7]

The [C] lovelight in your eyes has [G] faded
And I'm contented just to [D7] roam
We [G] slaved to gain a worthless [D7] treasure
A House Without Love is not a [G] home.

No matter where our footsteps wander
I know we'll both be all alone
With the pride that came between us
A House Without Love is not a home.

The simple things have gone forever
We wanted wealth to call our own
And now we've reached the hour of parting
A House Without Love is not a home.
