Hippos, Struggling

you think you know who I am
but you don't know who I am
you think that you're so smart
you're just as dumb as I am
so don't try to hide what's behind those eyes
behind that smile and those big blue eyes
I can see right through your lies
I see you at the beach
you're lying in the sand
you seem so hard to reach
you're trying as hard as you can
so don't try to hide what's behind those eyes
behind that smile and those big blue eyes
I can see right through your lies
you're struggling...
