House Of Large Sizes, Blu Marker

Well here we go!
(?)
The feeling lingers on
It's appetizing
Not so suprising, is it, all right
Blu marker staining everything
Blu marker so deep inside
Well, no fair
My analyst married me
Well, it's a tragedy
So very sad to me, you can't imagine
Blu marker staining everything
Blu marker so deep inside
So attractive
So gosh-darn active
Discussing fashion
Well, as a course of action
We don't think so!
Blu marker staining everything
Blu marker so deep inside
Bye-bye...
Blu marker staining everything
Blu marker so deep inside
