La Sexorcisto, Welcome To Planet Motherfucker/

woven in the surface a premonition of a land erupting a sparkling occasion of a city crashdown!
overhead revolv'n in a whirlpool a drag-o-rama walk'n on the sidewalk so let me see ya howl'n
through the keyhole "god damn, swept away" she shouted - she love it - get in away ye
concentrate the midnight without the benefit of ceremony - whoever said, "The one who strips
soul is the one that got away" a weather-beaten angel descending to embrace the cemetery -
love - so mystifying "god damn, swept away" she shouted - she love it - get in away - ye
beat on the mind the digs too deep to find something has got to give, man (psych-out) racketeer or
star you are just what you are, don't play the misty, baby! (get you) into a river sky electro nation
cry "i need another, now" drift beyond the sleeping the moon is shift'n shadows on her f

swamptime locomotion "i can't take it, anymore!" sunlight through the shutters illuminati
the moment buzz a halo over "god damn, swept away" she shouted - she love it - get in
- planet pretty kill - motherf**ker hang me on the thrills - psychoholic slag tomorrow is another drag
(yeah) picnic in the homeland - like a jesus super-star yeah! kiss me deadly, baby (baby) i know
who you are (come on) planet pretty kill - motherf**ker hang me on the thrills yeah! no small heave
(haven) i got the left hand of the keeper - meet me in st. louis "god" a one-way ticket's c
yeah! time-travel i'm walk'n (walk'n) i got a white line zombie fever (fever) yeah! time bomb the hero
(hero) yeah get down!!
