Bonfire, Champion

I gotta tell you a story
about a man who split the night
now he's comin' back to win the fight - alright

Some people hate him
but a winner never quits
when he's rollin' he's a one man blitz - look out

High explosive - like a keg of dynamite
his voice is roaring through the night

CHORUS
Here I stand - on my feet again
Don't you know that I'm a champion
Here I go - so come on Rock'n'Roll
I'm gonna show you once again
I'm a champion

People say he's crazy
and he's up around the bend
that's what it takes to be champion

no guts - no glory always
shoot your hottest shot
you gotta strike it while you're hot - red hot

One of a kind - that the world has never seen
still movin' like he's seventeen

CHORUS
