

22 Pistepirkko, Coffee Girl

If I ever love someone new
that will be you, my coffee girl
If I ever love someone new
that will be you, my coffee girl
my coffee girl, my coffee girl, my coffee girl
If I ever stay out week or two
I do remember you, my coffee girl
If I ever drink something new
I do remember you, my coffee girl
my coffee girl, my coffee girl, my coffee girl
If I ever love someone new
that will be you, my coffee girl
If I ever love someone new
that will be you, my coffee girl
